

EMPLOYEE DONATION IDEAS

DEDUCTIONS FROM PAYCHECK

- Use your own system for collecting donations (directly through your payroll system).
 - Send check to TAT monthly.
 - In January, send the list of total donations by name and address for TAT to send the yearly donation letter required by the IRS.
- Use an existing third-party vendor to collect donations and send to TAT (i.e. Benevity and YourCause).

CUSTOM GIVING CAMPAIGN

Let us create a custom Network for Good page to engage in a workplace giving campaign for a period of time (1 week, 1 month, etc.)

- Use digital communications (created in-house or from TAT templates) to share this initiative with your employees.
- Encourage employees to share the link to your fundraising page (if applicable), along with why they are proud to support this with their family and friends.

ONE-TIME FUNDRAISER

- Donate \$10 to wear jeans on a Friday.
- Donate \$10 and enter a holiday sweater contest.
- Raffle - have items donated and employees buy raffle tickets.
- Sponsor a bike ride or “fun run” where employees pay to participate.
- Come up with your own idea!

EMPLOYER MATCHING

No matter what fundraising activity your organization decides to do, would you consider a company-sponsored match to further motivate employee giving?

Funds raised and matched count towards corporate sponsorship! Check out corporate sponsorship opportunities here: www.tatnonprofit.org/sponsor
