

TASK FORCE ENGAGEMENT OPPORTUNITIES

TAT is dedicated to combating human trafficking by engaging and mobilizing transportation networks. We work within the established infrastructure of key industries and government agencies, offering resources and proven strategies to build and strengthen outreach and awareness campaigns. Because collaboration is crucial in this endeavor, we invite local and state human trafficking task forces to join us.

DO YOU REALLY TRUST THIS PERSON?

Every year, traffickers lure thousands of victims into exploitation with false promises of work or romance. If it sounds too good to be true, it usually is. You are not alone. You have other options.

Call the National Human Trafficking Hotline: 1-888-373-7888 (US) or 1-833-900-7010 (CAN) Confidential | Toll Free | 24/7

If you or someone you know is being forced to engage in any activity and cannot leave, whether for commercial sex, domestic work, farm work, construction, factory, retail or restaurant work, or any other activity, call the National Human Trafficking Hotline for confidential help and services.
